Dear Parent/Carer

I am writing to you with regards to the forth coming ski trip to Italy in February 2018.

We have recently received a letter from Interski making us aware of the difficulties they are experiencing "in the wake of the Brexit vote last year".

Interski has pointed out that due to the current political instability there has been a profoundly negative effect on the exchange rate between the pound and the euro. Further details are explained in their letter which is attached.

Regrettably, Interski is asking for an additional payment of £30.00 per student to cover their cost in Italy and have offered all parents/carers two options. These are outlined below:

Option 1 – Parents are asked for an additional contribution of £30.00 per student, above the price previously requested. This would make the total cost of the trip £885.00

Option 2 – If any parents/carers are unable or unwilling to pay this contribution Interski will offer each individual student a full refund of all monies paid and cancel their place on the trip without consequence.

These are the only options available from Interski.

Would you please kindly complete the slip below indicating which option you wish to take. If you wish to discuss this matter further, please contact me at your earliest convenience.

Yours sincerely
