Dear Parents/Carers

Courmayeur, Italy Ski Trip further medical consent

Thank you for completing the medical questionnaire in readiness of your child travelling to Italy for our ski trip.

There is, however, a further consent required regarding students needing un-prescribed pain relief medication whilst on the trip. This covers the usual headache and stomach cramps which may not be pre-empted but will allow our staff to administer paracetamol with your consent.

Please could you complete the slip below and return this to school by Friday 2nd February, 2018.

Yours sincerely

D White

G Davies
