Dear Parent/Carer

Re: Design and Technology Revision Guides

Your child has now entered their GCSE year and will be sitting their Design and Technology qualification during the summer of 2019. We have the opportunity to offer them revision guides produced specifically for their course. The books are designed to help consolidate and support the work done at school by strengthening their understanding of the topics covered, as well as providing opportunities for them to practice applying their knowledge in practice questions. These books cover all topics that will be studied throughout their GCSE course, and we strongly recommend that students use them in preparation for their exam.

We are currently offering these books at a significantly reduced price of only £2.50 each from the school shop.

If you would like to purchase a copy of the revision guide for your son/daughter, please complete the slip below and return it to the school office by Friday 28th September, 2018.

Yours sincerely

Mr A Walker
Subject Leader, Design & Technology
