Christmas Appeal
Barnabas Community Projects

Dear Parent/Carer

We are proud to be supporting Barnabas Community Projects again this year during a time that many families may struggle to afford gifts for their children. Last year the project gave gifts to 140 children in the county.

We usually have the items put into shoeboxes but this year, the school will provide each form group with one box for items to be placed into and these will be brought down and placed in a larger box provided by the charity. The items must be new, in their original packaging and must NOT be wrapped.

The list of items that can be donated and the age ranges are below:

What do we need?

Small stocking fillers eg cards, lego, little toys
Children's stationery
Children's activities e.g. colouring, craft, airfix
Fancy socks, gloves & hats
Games
Toys
Lovely toiletries
Make up, nail varnish etc
Christmas sweets & chocolate
Books
Wrapping paper & sellotape

Ages (boys and girls)

9-14

Anything, no matter how small, will make a big difference. Please could all items be donated between:
Monday 3rd December and Thursday 13th December.

Thank you for your ongoing support.

Mrs Parkinson
On behalf of the charity committee
