Dear Parent/Carer

Shropshire Council’s Travel Safety Leaflet

As the winter weather sets in and the hours of daylight shorten, we write to request your support in talking with your child about keeping safe whilst travelling to and from school and to reinforce expectations of good conduct on these journeys.

To help this conversation, we have attached the Local Authority’s leaflet that outlines their code of conduct for students using school transport. You will also find a lot of the advice and guidance in the leaflet can be applied to the use of public transport too.

Please talk to your child about the points made in this leaflet. Good conduct helps to make all journeys safer. The leaflet also provides information relating to the procedures for severe weather and emergencies.

If your child does not use a bus to get to school, you will be aware walking to school or using a bike has its risks too, so please draw their attention to crossing roads safely, being visible and, when using a bike, wearing a helmet.

Thank you for your support.

Yours sincerely
