

BICYCLE PERMIT

To be completed by the parent/carer of the student wishing to travel to and from school on his/her bicycle.

I wish my son/daughter to travel to and from school on his/her bicycle and to leave it on the school premises during school time.

The bicycle will be used *every day / occasionally * Please delete as appropriate

I accept that:

- the bicycle must be in good working order with efficient brakes;
- the bicycle will be left in the bicycle shed adjacent to Reception;
- a lock/chain will be provided to ensure security;
- the bicycle must be ridden in a responsible and sensible manner to and from school;
- the bicycle must **not** be ridden on the school premises during the school day;
- the cycle helmet must be worn, and kept in a locker during the day;
- in extreme inclement weather the bicycle will not be used for transport to school;
- my son/daughter must arrive at school by 8.45 am and leave after 3.20 pm in order to avoid the school buses.

I understand that:

- the contravention of any of the above could mean the withdrawal of permission to leave the bicycle on the school premises;
- the school cannot be held responsible for the safety of the student travelling to and from school;
- the school provides a bicycle shed to house the bicycle but requires the student to take responsibility for further security;
- school will telephone parent/carer to verify information given.
