Dear Parent/Carer

**Celebrating Science, Technology, Engineering and Mathematics (STEM)
Year 10 STEM Curriculum Day on Thursday 14th March, 2019**

Your son or daughter will be working with a graffiti artist during our STEM Curriculum Day this year as part of a specially selected group. The day is designed to showcase how science, engineering, technology and mathematics impact on our everyday lives and shape our daily decisions. During the day these artistic Year 10 students will be thinking about how they can communicate science ideas through art in transforming some central spaces within school. The graffiti artist is Nick Halahan and he has worked with our students on previous occasions. You can check out his work on: <http://www.olasart.com/>

The day will take place in school. Students will need to wear old clothes and bring overalls or an old shirt to protect their clothes.

Nick Halahan has asked for permission to take photographs on the day. Please complete the attached permission slip to indicate whether or not you give your consent.

Yours sincerely

J Hall

G Davies

Miss J Hall
Deputy Headteacher

Mr G Davies
Assistant Headteacher

**Celebrating Science, Technology, Engineering and Mathematics
Year 10 STEM Curriculum Day: Thursday 14th March, 2019**
