Note from the Headteacher...

"It's hard to believe there are only two weeks left of this half-term. The next two weeks see our Year 11s begin the main bulk of their GCSE examinations, with the rest in the two weeks following half-term. As you can imagine, this means school has been particularly busy recently and will continue to be that way until the GCSE exam period is over. I feel confident we will be able to manage the pressures upon us all during this busy period, by working together and supporting one another. The support you provide us and your children with is, as always, much appreciated.

Looking ahead to next year, the calendar for 2019-2020 is now on the school website. There have also been a number of other changes to the school website recently, so I encourage you to visit it again, if you have not had a browse through its contents recently.

I hope you have a restful and relaxing weekend.

Best wishes
Mr Lowe-Werrell"
