|--------|------------------------------------|
| Year 9 | Manchester Museums |
| Year 9 | Art Workshop (Named students only) |

Keep Hydrated

As the weather is warming up, please could we remind all students and parents that you should **bring your water bottle every day.**

Water bottles can be **re-filled at break and lunch** from the tap in the canteen.

A reminder please...

Students should NOT carry any medication in their bags other than epipens or inhalers.

Please support this important measure. Thank you.

Please make **School** cheques payable to **Mary Webb School** with your child's name and tutor group on the reverse.

Dinner money cheques should be made payable to **Shropshire Council** with your child's name and tutor group on the reverse. These should be posted in the post box next to the shop window **before break time each day.**

IMPORTANT

Change of contact details...

Please ensure that you let us know when you move house or change home, mobile or work telephone numbers so that we always have the correct information should we need to contact you in an emergency.

Students can collect forms from the School Office or, alternatively, you can email the school on nmurray@marywebbschool.com giving full details of your child's name and form, your name, address and contact numbers.

May we advise you that unfortunately, the school number registers 'with held' on your call log. We are unable to change this but assure you that we will always leave a message for you to return our call.

Please support us in this important safety measure. Your co-operation is much appreciated. Thank you.

Medication

Please can we remind parents that **students are not permitted to keep medication** on their person or in their bags unless it is an asthma inhaler or epipen.

No Paracetamol, Ibuprofen or any other medication should be brought into school for personal use without our knowledge.

If regular medication is needed, a consent form must be completed and the medication stored in the school office for administering under supervision and safe keeping.

Should your child feel unwell during the day, we have a supply of pain relief in school that we can offer after phoning parents to obtain verbal consent.

Please support us with this important procedure.

If students **feel ill at school**, they must speak to the teacher of their current lesson who will send the student to reception for contact home **if necessary**. Only Key Stage leaders-Miss Pugh or Mr Jervis can give permission for students to be sent home if they are feeling ill.

Students should not contact home themselves to request collection by parents or to get parents to ring school requesting medicines. Contact home should only be made by staff members in these circumstances.

Thank you for your co-operation.

If your child's medical diagnosis or needs change, please inform us immediately. It is imperative we keep this information up to date for health and safety reasons.

Thank you for your support.
