Welcome back to the new academic year at Mary Webb School & Science College. We welcome our new students also and would like to introduce you to the weekly newsletter. This is sent out by Parentmail and uploaded to the school website each Friday. No hard copies are sent home, so we would urge you to look at your emails and also log onto the school website regularly for new notices. We have sent our first copy to our new students for this first week, but please do look at the website from next week. Enjoy your reading...

## Lost property...

There was a lot of school uniform, bags and PE kits etc left in the cloakroom at the end of last term. These items will be available for collection on Wednesday next week at break and lunchtime in the school hall. If you mislaid anything at all last year, please come along and look at what has been handed in. School jumpers and PE kit left unclaimed will be kept as spares but the remaining clothes/bags will go to charity. Parents, please encourage your child/ren to come and have a look if anything was missed last year. Thank you.
