17th September, 2019

Dear Parent/Carer

Year 10 Business Enterprise Day: Wednesday 25th September, 2019

On Wednesday 25th September, 2019 we will be hosting our first Curriculum Day of this academic year. Year 10 students will be taking part in a Business Enterprise day. The day will involve a range of activities in an effort to give students a flavour of the world of business. They will work in teams, solve problems, devise strategies and compete against others.

This particular curriculum day activity has been delivered many times before and is always well liked by our students.

We ask that, on the day, students wear business-type clothing; students generally attend wearing a suit or shirt and tie or blouse. This helps set the tone for the day. If you have ever watched 'The Apprentice' you will appreciate what we would like to achieve.

Students will be working in school all day. Therefore, they will start and finish as normal. School dinner will be provided as per usual.

If you have any questions, please do not hesitate to contact me.

Yours sincerely

Mr A Walker
Subject Leader, Design & Technology
