Expedition Assessor's Guidance Notes

Thank you for your time and commitment offering to assess me for the Expedition section of my DofE programme.

I hope that you will enjoy your involvement, helping me through the section and to get the most from my activities and complete this section.

For this section of my **Bronze** DofE programme, I have to plan, train for and go on an expedition. For this level, I need to do my expedition over:

2

days and

1

night

As a guardian of the DofE's high standards, your role is to:

- Ensure that the aim of the expedition is met.
- Protect the interests of the DofE.
- Ensure that the 20 conditions of the Expedition section are fulfilled.
- Provide, as appropriate, local expedition area information to teams to help them decide how best to meet the 20 conditions.
- Be a fair, impartial and positive person who adds to the expedition experience, supports the team and sees a successful outcome.
- Do a final debrief at the end – discussing their experiences, how they developed and reached their goals.

When I have completed my expedition and achieved my aim, please can you register your comments on my progress by the suggested methods overleaf. This will be my evidence of completing my Expedition section.

The Expedition section

Aim: To inspire young people to develop initiative and a spirit of adventure and discovery, by planning, training for and completing an adventurous journey as part of a team.

Completion of the section

Young people have met the DofE requirements when they have successfully completed their qualifying expedition in line with the 20 conditions.

Your Expedition Assessor's Report

Please take the time to think about what evidence you provide. You can talk about training, team contribution and achievement of their personal goals.

What you write will celebrate the achievement of the young person and form part of their permanent record of their DofE programme. So please make your comments personal, positive and engaging. Remember to include the activity start and end dates.

Remove this card, fill in your details where indicated and ask your Supervisor to complete the section at the base of this page before handing it to your Assessor at the start of your qualifying expedition.
