

Dear Parent/Carer

12th November, 2019

Year 10 GCSE Science Live Wednesday 5th February 2020

We are very pleased to inform you that we have managed to secure 40 provisional places for the GCSE Science Live event at the Birmingham Symphony Hall on Wednesday 5th February, 2020. The event promises to be an eye-opening experience with talks from eminent scientists such as Professor Robert Winston and Professor Lucie Green. There will also be talks from GCSE examiners who will provide the students with their 'Top Tips for Success' in their forthcoming examinations. All students will receive a booklet on GCSE exam success to take home.

We will travel by coach leaving school at **9.00 am** and returning at approximately **4.30 pm**. Your son/daughter should be collected from school at this time. Students will need to wear school uniform and bring a packed lunch and a drink.

You are invited to make a voluntary contribution of £25.00 towards the cost of the visit. We must, however, inform you that as the school could not bear the whole cost of the visit, the visit will not take place unless all parents/carers, who are able, are willing to contribute. If you find it difficult to meet this cost, you are invited to contact the School Business Manager in confidence to discuss payment. Students who receive Free School Meals will be supported through funds allocated to the school and are able to order a packed lunch from the school kitchen if they wish.

If you would like your son/daughter to go to this event, could you please complete the slip below and return it to the school office as soon as possible. We will hold a ballot if the event is over-subscribed. Please note that, as students will be missing their normal lessons on this day, it is expected that students will catch up the missed work.

Yours sincerely

Mrs V Lee
Science Teacher

Mr G Davies
Assistant Headteacher

Mr P Salmon
School Business Manager
