Dear Parent/Carer,

Firstly, I would like to say a huge thank you from myself and staff at Mary Webb School with supporting your child's engagement in the DofE Bronze award so far. It's been really positive to see students talk enthusiastically about their activities choices using the activity logs to keep track. If your child has not yet done this or has misplaced their activity logs, please ensure this is done, as it will form part of key evidence to upload to eDofE once they have finished their activity section.

To access activity logs go onto the Mary Webb School website - <https://www.marywebbschool.com/duke-of-edinburgh/> and download from the selected section under 'Activity Logs'. I need to impress upon you the importance of your child keeping track, using the Activity Logs plus gathering additional evidence to help support completion of each section. **Please note that incomplete evidence and/or failure to keep track and upload to eDofE within the deadlines set will likely result in your child doing their expedition next academic year.**

Indeed, the positive uptake of DofE has meant that we will now be running two assessed expeditions in June and this letter is to also informing you that **your child has been allocated a group on:**

Expedition A: Friday 19th June to Saturday 20th June

Naturally we need to confirm groupings of both expeditions in the next few weeks so if you can sign and return the slip to confirm your child's attendance on specified expedition date by Friday 13th December would be appreciated.

Once again, many thanks for your support and efforts and as always, if you have any questions, please do not hesitate to contact the school or myself via email: jseager@marywebbschool.com

Yours Sincerely,

J Seager

Mr J Seager
Mary Webb School DofE Manager

I can confirm my child will be participating in **Expedition A: Friday 19th June to Saturday 20th June**
