

Coronavirus Statement

There have been reports in the news recently regarding some confirmed cases of the coronavirus in the Lombardy and Veneto regions of Italy. We would like to reassure all of our clients that we closely follow the advice issued by the UK government regarding all matters relating to travel in general and in particular, travel to Italy. The UK government has advised against all non-essential travel to the towns affected.

We would like to confirm that the towns in question, in the Lombardy region, are a considerable distance (the closest is 142 miles away) from the Aosta Valley, the only destination to which we operate.
