Dear Students, Parents and Carers

Year 10 Work Experience 29th June to 3rd July, 2020

Further to Mr Lowe-Werrell's letter sent yesterday regarding Year 10 returning to school, we should now inform you of our decision to cancel Work Experience for all students this year. Whilst we have waited until now to make an informed and practical decision, we are sorry that circumstances have determined this outcome.

We are aware that a couple of employers had started to cancel work experience placements. However, we would ask students who have secured a placement, to contact them and inform them that Work Experience week will not be going ahead. Students should thank the employers for their help and commitment to our work experience programme. Please ensure you attend to this as soon as possible.

We would like to thank all students who secured exciting and worthwhile placements and whilst we know you will be disappointed, we hope you understand the extreme circumstances behind our decision.

We wish you and your families well and look forward to seeing you mid-June.

Kind regards

M Jervis
