# Spanish Films on Netflix

Watching Spanish films/TV shows is a really good way to improve your Spanish. You can add English subtitles, so it is easier for you to understand.

You can find a variety of Spanish films on Netflix by following these simple steps:

1. Sign into your Netflix account.
2. Type in 'SPANISH' in the search box
3. You can then explore the different Spanish films/TV shows.

**Make sure you check the age rating of any films you find and only watch those appropriate for your age group!**

You can also watch your favourite films in Spanish by changing the AUDIO LANGUAGE:

1. Select your TV show or film to watch
2. Select Audio & Subtitles from the options panel
3. Choose Spanish from the list of AUDIO options and choose English under the subtitles option
