2nd October, 2020

Dear Parent/Carer,

Specialist College Visit to London: May 2021

As part of the enrichment of the Science, Mathematics, Technology and Art curriculum, we are planning to take a group of Year 10 students to visit London in May next year. We are looking to leave early in the morning on Friday, 30th April, and return on the evening of Sunday, 2nd May. The itinerary will include the following:

- Science Museum and its 3D iMAX Cinema
- Natural History Museum
- Royal Observatory at Greenwich
- London Eye
- Cruise down the River Thames
- London Zoo
- West End Show
- British museum
- Design Museum

Educational Value

The students will be exposed to a wealth of enriching activities and tours which are designed to extend their experiences in STEAM subjects.

Cost

The cost of the trip will be £360.00 per student, which can be paid in three instalments. The figure is fully inclusive of accommodation, meals, transport, insurance and entrance fees. If you find it difficult to meet this cost, you are invited to contact the School Business Manager in confidence to discuss payment. Students on Free School Meals will be supported by funds allocated to the school, the cost for these students will be £180.00.

We are fully aware that restrictions may still be in place next year, but would rather be optimistic at this point. The travel company we use for the trip has assured us that if restrictions still apply and the trip has to be cancelled we will be eligible for a full refund.

If your son/daughter is interested in participating in the visit, we would like you to attend an informal meeting on Monday 12th October 2020 at 5.00 pm in the school hall, to hear more about the visit prior to making a firm commitment.

Yours sincerely,

C Jones

G Davies
